

TEMPORARY PERMIT APPLICATION – CREMATORY

Instructions

This section is to be completed and signed by the applicant. A temporary permit for purposes of an initial inspection per [ARM 24.147.1102](#)(2) will not be issued until this form has been signed and submitted along with the rest of the application documents and forms. Once a temporary permit has been issued the crematory may operate prior to the initial inspection.

I am applying for a temporary permit.
***Note: A crematory cannot operate until a temporary permit has been issued.**
